

Friday 20th May

Dear Parents/Carers

This week has been quietly busy for our children.

Year 2 are now well into their 'Quizzes'

And Year 1 are well on in consolidating their phonics knowledge. Meanwhile, Year 4 are trying to be Times Tables Legends.

Year 6

On Monday our Year 6 spent the morning in the hall becoming 'Mini Medics,' learning how to manage First Aid in an emergency situations. Simon and Frances (who delivered the training) were delighted by the enthusiasm and behavior of the Year 6 children.

Year 2

Year 2 have been working with Jean Banwell from the Skinningrove Mining Museum on a community project to celebrate the Queen's jubilee. The children have studied portraits of the queen to produce their own portraits in primary colours. Once complete the work will be displayed in a local community center.

I've had a sneak preview and can honestly say it's some of the best Year 2 artwork I have seen.

Calendar/Term Dates

Please note a calendar of events for the term and next year's term dates were sent out earlier this week. The calendar has two sets of events, those parents are invited to attend and those that are in school only.

Jubilee Picnic

Anyone having trouble printing off a consent for another adult to accompany their child at the picnic should collect and complete a consent form from the office by Wednesday next week.

I am attaching the school picnic menu. Children who normally bring their own packed lunch are welcome to buy one from school on this occasion.

To do so please log in to Parent Pay.

Holidays

New guidance around school attendance has recently been published.

Anyone taking holiday time at key points of the year will be fined and the holiday will be recorded as an unauthorized absence.

This includes all September holidays as September is a crucial time in school when children build new relationships.

Further information will follow.

Uniform

A reminder please that uniform as of September is a red polo shirt. Can I also remind you that wearing trainers all day, every day is not good for young feet. Our uniform policy is when in school uniform, black shoes should be worn. School shoes are designed to support young feet in a way that promotes healthy growth and movement.
