Friday 25th March

Dear Parents/Carers

This week our lovely kitchen staff ably led by Mrs Turner were awarded 5 stars for hygiene. These ladies work incredibly hard for little recognition, so I would like to take a second to say 'Thank you.' to them for everything they do for our children.

I would also like to thank you for your continued support with dressing children in the correct uniform on the correct day, bringing children to school on time, hearing the children read, supporting with homework and supporting us in our fundraising for school and for other charities.

As the cost of living rises many of you might find yourselves struggling financially in ways you have never previously experienced. I remember vividly finding things tough with three young daughters and wondering sometimes how we would make ends meet, what could we have for tea that would be nutritious and inexpensive.

If you find yourself struggling and can access benefits, please consider registering for Free School Meals. Every child on Free School Meals will receive at least one nutritious hot meal every day and as we approach the summer, they can even have sandwiches.

Any children who are registered for free School Meals also receive additional funding. We allocate £100 of this per child to be used in school for trips, water bottles, Breakfast and After School Club Attendance and uniform.

If your child is in receipt of this and you are having problems finding funds for a school trip - give the office a buzz and Miss Langley or Miss Evans can organize transferring funds across from our social fund.

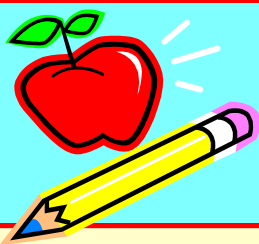

Open Afternoon

School will be open on Monday 4th April from 3:00 - 4.30pm for you to see your children's work and if you would like to have a quick chat with your child's class teacher. This is an opportunity for your children to talk you through the work in their books and to share what they are most proud of.

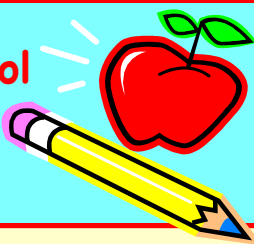

Preston Park Trip

Please make sure all Y5 children have returned this year's trips consent form in good time for Friday's visit.

Random Number raffle

Miss Langley and Miss Evans will be selling numbers from 1 upwards next week, children are invited to buy a number for 50p. They can buy as many numbers as they like.

Miss Langley will allocate numbers in order of purchase. A random number generator will then select who wins the Easter Eggs that have been donated. We have 20 eggs and 2 packs of Kinder Eggs, an easter basket, 2 lollies and an easter activity book, so far, so 25 prizes!

I'm sure we will have even more by next Friday. Numbers will be on sale at morning break.

Easter Egg Hunt

On Friday 8th April all classes will have an Easter Egg hunt organised by our newly re-established PTA. This will be free. The PTA are meeting to start preparing soon - We are very excited.

Times Table Rockstars

Our first set of awards were given today for the children putting massive effort into improving their 'rock status'.

Well done to:
